- **April 7**—World Health Day
- **April 10**—Emeritus applications due to Governor Bev
- **April 11**—Altrusa International's birthday
- **April 16-18**—District Conference in Quincy, IL

## Information Needed for Conference Memorial Service

This has been a tough year, with many clubs losing active members and the District losing a Past Governor. To make our conference memorial service more special, in addition to names, we'd like a photo and a sentence or two about those your club has lost this year. Past Governor Elaine has agreed to put them into a Power Point presentation for conference. Email materials to her at [sistler@yahoo.com](mailto:sistler@yahoo.com) by March 19th so she has time to compile the material.

## February Presidents' E-News Now Available On-Line

You should have received a mailing from International for the February Presidents' E-News. If you haven't already checked it out, please go on-line at the International website and check out the January Presidents' mailing. Contact me if you need a copy of the e-mail.

## Nominations Due for Individual Awards

For the Rookie of the Year and Governor Awards, nominations are due to by March 13. Just being your club's nominee for one of these awards will make a member's day. It's a nice free, way to recognize those who do so much for Altrusa. Governor's Award Nominations should come to me. E-mail or snail mail is fine. Rookie Nominations should go to Membership Chair Winnie Price at 323 Bundy Ave New Castle, IN 47362 or emailed to [winniep@nchcpl.lib.in.us](mailto:winniep@nchcpl.lib.in.us). **Note: this is a change from what you were told earlier.** I will forward to Winnie those that have already been sent to me, but those who haven't mailed theirs yet should send them to Winnie.

## Still Seeking Nominations

We are still seeking nominations for the District Nominating Committee. Thank you to those from Indiana and Kentucky who have agreed to run. Will someone from Illinois step up and volunteer?

We also have two opportunities to nominate people for Altrusa International Service. We are looking for nominations for the Altrusa International Nominating Committee and for the Altrusa International Foundation Board. In the past, the District Board has selected these people, who have run unopposed at conference. I would like to give more people the opportunity for this type of service. Please ask your clubs in anyone is interested in this opportunity and let me know by March 27.

## From International President Donna Johnson

We are so close to meeting our International membership goal for this year I can almost taste it. We need only 689 new members between now and May 31, 2010 to claim success. That's just 50 members per district....

And now we're coming very quickly up to the finish line for meeting our commitment to Altrusa. And as we all know, the hallmark of Altrusans is we can find a way to accomplish anything to which we set our minds. So now you know why my taste buds are tingling at the prospect of success. Our goal is within reach.

Make this your mantra. It's all about asking. Share Altrusa now. We've got April to make our big push and Add an Altrusan Day (May 2-8) to top it off.
