

We want to let everyone know about our Christmas House Walk on December 12th. The theme will be "A Cottage Christmas" with 6 homes for only \$10. We have received many compliments about the quality of the homes and decorations the last 3 years and believe this year may be our best yet. The fund-raiser benefits our ongoing literacy project, the Dolly Parton Imagination Library which provides free books every month for 600 children in Edgar County.

The "walk" starts from the Edgar County Historical Society on north Main Street where you can buy tickets, enjoy refreshments, and pick up maps. It begins at 3 pm and would be approximately an hours drive from Champaign.

Please help us publicize our Christmas House Walk. Paris Altrusans would love to have members of your community share the fun with us!

Look for more information in the next 'In Touch' which will go out the first week of December.
